Sam Holmes, the colored porter at the New Monroe Hotel, was arrested by Marshal Graves last Saturday night and locked up on a charge of carrying a concealed weapon. He was taken to the county jail at Paris Monday to await the action of the circuit court. Sam does not deny his guilt but says that Marshal Stephens, during his life, gave him the gun and permission to carry it to meet the night trains. There is considerable sympathy for Sam as he was ordinarily considered a quiet inoffensive negro.

## Be A Winner!

Is the aim of each one of us. It is a laudable ambition and should be much encouraged.

When you see a stranger you judge him to a large extent by the clothes he wears.

## The Well Dressed Man

is at once placed in higher estimation than if he wore clothes that did not fit him and showed that they were not well tailored. Other people judge you the same way. This being true you should wear good neat fitting, well made clothing and
